

January 2017 Newsletter

Village News:

The Village would like to remind residents that we are now capable of email billing. In order to sign up you will need to email us at AvistonUtilities@gmail.com. The email will need to include all information pertinent to your water/sewer bill, i.e. account number, name on account, service address, mailing address (if different from service address).

Also, if you would like your bill to be paid electronically, you may do so by filling out paperwork from the Village Hall. Please stop by the office and get a form if you desire. A voided check or deposit slip is required also.

CodeRed forms are still being collected. This is our new emergency warning system. You can register yourself on-line or fill out the paperwork and we can input for you. Even if you were notified of emergencies under the old system, you need to submit information for the new system --- your information does not automatically roll over.

TRASH – please put your trash in garbage bags and not loose in your cans. The trucks have front load bins that the trash goes in and when they raise the bins over the top of the truck, some of the items spill out into the roads, yards, etc. (especially on windy days). Your cooperation is appreciated.

The Zoning Board is currently looking for 2 new members. Meetings are held on the last Tuesday of each month at 7:30pm. If you are interesting

in joining the Zoning Board, please contact the Village Hall at 228-7262.
