Thanks for your call. Please see attached and below for the Baseball Field Sound System with 2 Community Outdoor/Weatherproof Stadium Speakers.

This outdoor PA system for baseball fields is designed to mount speakers onto poles or the roof of a press box. It's perfect for play-by-plays and announcements where vocal clarity and high powered music with even wide coverage is essential and is ideal for baseball fields and bleachers, baseball diamonds and baseball field sports complexes.

Shipping TBD.

Very Respectfully, Merry Grant – Sales Engineer
