## ZONING BOARD

We would like to welcome Terry Tebbe to the  
Board.

## ENERGY COSTS:

As many Ameren customers have seen on your  
power bills, the cost for electricity has risen  
significantly. The Village has been fielding many  
calls regarding this and what we, as the Village of  
Aviston, are doing to assist in mitigating these  
rising costs. The Village of Aviston is currently not  
in a municipal aggregation consortium that offers a  
contracted secondary power supplier (e.g.,  
HomeField Energy); however, the Village is  
exploring available options to address immediate  
concerns as well as for the future. As more details  
and/or options become available, we will readily  
communicate that information with Village  
residents.

## CHRISTMAS LIGHTS & DISPLAYS

The Aviston Elves have been busy since August testing and repairing the Christmas displays. Now they are putting the displays up, so we want everyone to be careful to stay out of the displays, as there are many stakes and clear anchor wires that you could get hurt on. **PARENTS:** please advise your kids to be careful of the displays!

We would like to thank everyone for the monetary donations coming in: ACIC, the Legion Auxiliary, First National Bank, Mike & Eva Koch, and the Rohling Family. Also, we are grateful to all those who donated cash in the donation mailboxes at the park last Christmas!

We hope you enjoy the new additions that have been added this year!
