ACH OPTIONS

The Village of Aviston has added another ACH (Automated Clearing House) date for residents to choose from for paying their utility bill. The Village currently offers the monthly dates of the 10th, 15th, and 25th with the new addition of the 20th. This date is available for new customers to choose from as well as previous customers who choose to change their current date to better suit their budgeting needs.

STREET OILING

Streets will be oiled July 16th & 17th. Streets to be oiled will be marked so please remove all vehicles from the street. Please tell others that may be visiting (or babysitting) of this also. Streets scheduled to be oiled will be listed in next month's newsletter. An 'All Call' will be sent to help remind everyone of this happening.

STREET PARKING REMINDER

We know that parking on the street can be crowded at times but please be courteous to your fellow neighbors and rural mail carriers ---- do not park really close to their driveways so that they have difficulties backing their cars out nor that mail cannot be delivered to any mailboxes. ALSO --- REMEMBER TO PARK CORRECTLY!

GRASS CUTTING/YARD WASTE/DUMP

It's grass cutting time! Please do not blow your clippings into the street, in the curbing or on the sidewalks as it clogs up the sewer systems and if it

rains, it gets very slick on the roads for motorcycles. Please cut the grass and blow it back into your own yards.

Please do not leave trash, limbs, and other debris piling up on your property.

You can bring yard waste (leaves, grass, bushes, plants) out to the dump east of the park. DO NOT put leaves and grass on the burn pile! They go east of the burn pile. There are signs posted where everything is to be put.

SOLICITORS WITHIN THE VILLAGE

All solicitors within Village limits are required to have a permit issued by the Village of Aviston. If someone is at your residence, **PLEASE** ask them for their permit. The Village will also advertise on the website and FB page who the permit holder is and what dates they will be in town.

SWIMMING POOLS

Summer is here --- if you are planning on having a swimming pool, remember: every swimming pool that is more than two (2) feet deep shall be enclosed by a wall or fence at least 3 ½ ft or 442 inches in height. The fence must be a rigid type fence. The passage through such wall or fence shall be equipped with a gate.

DID YOU KNOW?

Before you make any change to your residence, such as a fence, shed, deck, pool, concrete, etc..... you will likely need a building permit. Call us first if you have any questions. The applications are available on our website or you can visit the Village Hall and pick one up.

BOY SCOUT NEWS

Aluminum can pick up is the first Saturday of the month, please put cans out on the curb by 9 am. If they miss your cans or you could drop them off yourself, the Scout trailer is located on the east side of the American Legion by the shed. If you have any questions, please email avistonlbersscouts@yahoo.com.

The shed on Brefeld Lane (east of the park) is for electronics only --- no TV's dropped off except on TV recycle day which has been changed to the first Saturday in April, August and December from 8-10 am. Cost is \$25 per TV.

AVISTON ELEMENTARY

Eagle parents should be sure to complete the online student registration for the 2025-2026 school year available in TeacherEase. A dropbox is available in the foyer for all/any forms or payments needing to be dropped off.

Now is also the time to register for the annual Reagle Eagle 5K and/or 1-mile fun run which is available on the avistonk-8.org website.

Summer AGS library hours will be from 9:00-11:00 every Tuesday and Wednesday during the month of June.

Open House is scheduled for August 12th and August 13th will be the first day back in session and until then... we wish all the Eagles a super safe and happy summer!

COLLECT YOUR ALUMINUM CAN TABS!!!

Aviston Elementary students are collecting aluminum can tabs for Shriners Hospital for Children in St. Louis. Please keep your tabs and give them to an Aviston student or a teacher so someone can collect them for the Shriners. This is a service project for Aviston Elementary --- doing good for other children and families at Shriners Hospital. If you have any questions, please call Marge Thole at (618)604-0374.
